SPAIN SENDS A PROTEST

Brazil Also Announces She Will Ob-  
ject to Germany's Order as  
Violation of Law

(By United Press.)

Washington, Feb. 6.—The most far reaching preparedness legislation ever introduced at one time in both branches of congress was favorably reported to the house today by Chairman Padgett of the naval committee.

The measure authorizes the president to commandeer all ship building plants, all plants capable of producing war material, places at the president's disposal \$150,000,000 to rush completion of ships and needed war materials and appropriates \$1,000,000 to purchase the basic patent of an aeroplane suitable for army and navy use.

## SPAIN SENDS A PROTEST

Sending of Note Precludes Possi-  
bility of a Break Now

(By United Press.)

Madrid, Spain, Feb. 6.—Spain made formal protest to Germany against the unlimited submarine campaign started February 1 in a note handed to the German ambassador here today.

Action in sending a note of protest precludes an immediate break of relations between Spain and Germany. It is stated, however, that the note declines to suspend Spanish shipping so that an overt act by Germany will continually be present.

## BRAZIL ALSO TO PROTEST

Calls German Barred Zone Order  
Blow to Brazilian Interests

(By United Press.)

Rio De Janeiro, Feb. 6.—Brazil has sent on is about to send to Germany a formal note protesting against violation of international law in the German submarine policy and declaring it "imperils the lives of Brazilian citizens and is a blow at Brazilian interests."

This announcement was made today.

## OTHER RELATIONS MORE OMINOUS

Senator Poindexter Thinks he Sees  
Disposition on Germany's Part  
to Avoid Conflict

HOPES IT WILL NOT BE WAR

(By United Press.)

Washington, Feb. 6.—"I think there are other international relations that are more ominous and more imminent than those with Germany," Senator Poindexter said today.

"The country is more or less aroused by strained relations with Germany. I am very much in hope that there will not be a material conflict with the great German empire and the United States of America."

"There are various reasons for

## ANSWER MAY BE A WAR DECLARATION

Belief is Rapidly Crystalizing Among  
Officials That This Step is  
Inevitable

HER BASIS FOR SUCH AN ACT

By ROBERT J. BENDER  
(U. P. Staff Correspondent.)

Washington, Feb. 6.—Germany's answer to President Wilson's notice of a diplomatic break is expected within 24 hours. It may be a declaration of war.

Belief is rapidly crystalizing among officials that this final step is inevitable and it would cause no surprise if Germany took it now. When the Sussex sinking threatened the diplomatic break Ambassador Von Bernstorff said it would result in an immediate declaration of war by Germany. At the same time President Wilson told members of the foreign relations committee that he had been "reliably informed" that actual war would follow a break.

Should Germany declare war some officials believe she would base her declaration on President Wilson's active efforts to align all neutral governments in a break.

All Americans have been advised to leave Germany. It was learned today instructions forwarded to Ambassador Gerard and American consuls Saturday were to give them this advice and to assist them in leaving whenever possible.

## REPORT SAYS LIFE BOAT WAS SHELLED

Official Word of Sinking of Eave-  
stone Indicates Germany Has  
Cast Caution Overboard

INCREASES THE TENSION

By CARL D. GROAT  
(U. P. Staff Correspondent.)

Washington, Feb. 6.—Conclusive proof that Germany intends to wage her war of ruthlessness as evidenced by the Eavestone case increased the tension in Washington today.

Official word on the destruction of the Eavestone with the loss of one American negro sailor's life indicated to officials that Germany has cast caution overboard. The report said the men were shelled after taking to life boats. This is contrary to all international law.

The fact that the Eavestone was a British naval collier tended to mitigate the sinking of the vessel but nothing in international rules excuses shelling of life boats.

Germany herself made this point in the Baralong case.

that; there are many indications, I think, in the last few days, of a disposition on the part of Germany to avoid such a conflict."

## STOP AMERICAN STEAMER

(By United Press.)

London, Feb. 6.—A German submarine stopped the American steamer Westwego and only permitted her to proceed without sinking when that vessel acceded to the German commander's demand for three barrels of lubricating oil.

The American consul at Liverpool reported these circumstances to the American embassy today.

## SUFFRAGE BILLS NOT HANDED DOWN

Suffragists Who Gathered From All  
Parts of State are Disappoint-  
ed by This Action

SHERIFFS BILL IS KILLED

(By United Press.)

Indianapolis, Ind., Feb. 6.—Representative Johnson's bill providing that the pay for sheriffs boarding prisoners be increased was killed in the house today following a hot argument. The committee on fees and salaries had given a divided report on the bill, the minority favoring postponement.

Johnson declared that the cost of food had increased fifty per cent and that sheriffs were entitled to more pay. Other representatives declared sheriffs were making large sums of money out of the arrangement and the minority report was adopted killing the bill.

The suffrage bills were not handed down in either house today much to the disappointment of suffragists who gathered here from all parts of the state to urge the passage of the nature.

The senate passed five bills.

## PERKINS GAMING CASE IS CONTINUED

Similar One Against Ora Morgan,  
Outgrowth of Grand Jury In-  
vestigation, Set for Thursday

ONEAL FINED \$10 AND COSTS

The case against Charles Perkins, charged with gaming, which was scheduled to start this morning in circuit court, was continued and will probably not be tried until later in the term. Yesterday attorneys entered their appearance for Perkins, and while he could not be found, it was agreed to continue the case. The next case set for trial is that against Ora Morgan. The Morgan case is set for Thursday. He is charged with gaming and with keeping a gaming house.

William Oneal entered a plea of guilty yesterday to a charge of keeping a gaming house and was fined \$10 and costs. The charge was the result of a rum game and he was indicted by the grand jury. Oneal has been out of the city and the arrest was made only yesterday. Two charges of allowing minors to play pool were dismissed. The charge against Denny Ryan of keeping a gaming house was dismissed because he is a partner of Oneal's and one indictment was sufficient against the partnership firm.

FAVOR ADAMSON BILL

(By United Press.)

Washington, Feb. 6.—The house interstate commerce committee today formally reported favorably the Adamson railway bill providing draft of railway employees into military service in time of war and enlarging the board of mediator and conciliation to settle railway labor disputes.

William Smith has filed a claim against the estate of Isabel Fry, demanding \$4,200.

## COMMISSIONER TO HEAR PETITION HERE

Member of State Utilities Body Will  
be in Rushville for Gas Hear-  
ing Thursday

SNYDER WANTS TO SELL GAS

A member of the Public Service Commission will be here Thursday to conduct a public hearing on the petition of J. Harvey Snyder to be given permission to operate a gas plant here. The hearing will be held in the assembly room of the court house starting at ten o'clock.

Snyder is the owner of a single gas well located in West First street and he asks permission to sell gas from this well. The city will be represented at the hearing and will insist that Snyder's territory be confined so that he cannot cross First street to the north.

Should Snyder consent to the restrictions the city will not oppose the proposition. The city does not desire the paved street to be torn up and there will be no objections should the petitioner agree to confine his operations to a certain territory.

## UNION BUILDING IN NEWCASTLE BURNS

Fire in Center of Business District  
This Afternoon Threatens to  
Spread to Other Places

TIMES PLANT IS DESTROYED

(By United Press.)

Newcastle, Ind., Feb. 6.—The Union building, housing the Newcastle Times, many professional men's offices and some retail stores, was in flames here this afternoon and danger of the whole block in the heart of the business district being destroyed was imminent. Appeals for help were sent to Muncie, Richmond and Indianapolis.

The fire was discovered at 12:10 o'clock in the basement of the Times plant. Early estimate put on the loss of the building and contents was \$150,000. The loss to the Times was put at \$20,000; to six doctors with offices in the building, \$6,000; to retail stores in the building, \$20,000.

The building belonged to Senator Walter S. Chambers and a company of Newcastle business men. Senator Chambers is sole owner and editor of the Times, the democratic newspaper of this city. The Times was practically a complete loss, only a few records and typewriters being saved.

## MONDAY COLDEST DAY OF THE WINTER

County Weather Observer's Record  
Shows Average Temperature to  
be 2 Below Zero

SNOW IS EXPECTED NOW

Yesterday was the coldest day of the winter, according to the records of the county weather observer at Maunzy. The average temperature for 24 hours was two degrees below zero. The coldest day previous to yesterday was one above zero for the same period.

Today, however, the temperature was getting on speaking terms with the freezing point once more and indications pointed to snow. Today was the first day that has not been severely cold since last Friday when the first cold wave came in.

The temperature this afternoon was up to thirty degrees above zero and the snow was beginning to melt. The indications were for still warmer weather tonight.

## HEARING HELD ON JINNETT BILL

Members of City Administration  
Argue Before Legislature Com-  
mittee in Favor of Measure

MAHIN MAKES SHORT TALK

Bill Provides Municipally Owned Wa-  
ter and Light Plants be Ex-  
empted From Commission

Mayor Bebout, Councilman Scudder and A. T. Mahin, superintendent of the water and light plant, attended the public hearing of the Jinnett "home rule" bill which would exempt municipal water and light plants from coming under the jurisdiction of the Public Service Commission, before the house Judiciary A committee last night in Indianapolis.

A concerted effort is being made by the municipally owned plants to have the law changed so as to exempt these plants from coming under the jurisdiction of the commission and the 96 plants of this character in the state are backing the Jinnett bill.

A. T. Mahin of the local plant made a brief talk to the committee, telling of Rushville's experience with the commission. The men backing the bill go on the theory that the commission has enough work without bothering with the municipal plants and in support of this contention Mr. Mahin cited the case of Rushville. The city petitioned for a change in rates and a decision was withheld for a period of two years.

The committee meeting lasted until a late hour and no indication was made as to how the committee would report on the bill. A report on the bill, however, is expected soon. There is a strong lobby working against the Jinnett bill. The opposition comes from privately owned utilities of this nature. The opposition is especially strong from cities where a private utility is operated in competition with the city plant.

Early last month a meeting of city officials was held in Indianapolis when plans were discussed for severing relations with the Public Service Commission. The Jinnett bill is the direct result of this conference. There are 96 municipally owned plants in the state and they all favor the taking of their affairs from the public service commission and allowing the cities to govern their own affairs.

Other speakers before the committee were Mayor W. J. Hosea of Fort Wayne and L. H. Stevens of Anderson. Mr. Stevens is a former state representative from Madison county. The debate centered mostly around conditions in Fort Wayne. Charles D. Kelso of New Albany, and William McNerny of South Bend opposed the bill before the committee. Representative Jinnett, the author of the bill, is a member of this committee and will speak in favor of the measure should it be reported from the committee.

## Donate a Lot and Help Get Factory

Another lot was donated to the factory fund today. Phil Wilk announced that he had a lot which he would put in with the number which will be sold at \$150 each for the purpose of bringing a factory to Rushville. The lots will be distributed to the buyers by a drawing. The contributors will receive \$150 worth of stock in the factory for each lot donated. The lots will sell for \$150 each. Two lots have already been given as follows:

John Crowley, one lot.  
Phil Wilk, one lot.

## FLOWER CONTEST TO BE CONDUCTED

Women's Council Determines on This  
Project but Defers Action on  
Sewing School

SEEDS WILL BE SOLD CHEAP

Prizes Will be Awarded for Best  
Collections of Flowers and Vege-  
tables—A Grand Prize

The flower show in which the school children of Rushville are to compete for prizes with flowers which they have grown themselves is a certainty. Such was the decision at the meeting of the Women's council held in the director's room of the Rushville National bank last evening. Early in the spring, preceding the shows seeds are to be sold to the school children and instructions given for those wishing to enter the contest.

The decision about the sewing school was deferred until the next meeting which will be held the 5th of March. Judging from the sewing school which was conducted several years ago, this was conceded to be the best phase of social service work ever undertaken here, considering the cost of maintenance. Much praise was voiced last evening for Mrs. T. W. Betker who was in charge of the sewing school conducted here in former years. The only drawback considered in connection with the sewing school, which would be a free institution for those wishing to take a course in sewing, was the fact that the members of the Women's council do not feel as if they have enough time to maintain the school, themselves.

The question of the annual flower show was passed without a dissenting vote. Early in the spring, seeds for flowers and vegetables will be sold to the school children at one cent a package and trees, shrubs, and bulbs will be sold from one to eight cents. At the flower show, prizes will be offered for the largest and best collection of vegetables, and the best varieties of flowers. Flowers and vegetables coming from yards which are not well kept will not be considered. The grand prize will be given for the yard which has shown the greatest improvement in neatness and cleanliness. This competition will be effective only in prescribed districts; that is the contest will be conducted fairly considering the location and condition of the yards at the beginning of the contest.

Every school in the city will be included in the contest.

A treasurer's report was given at the meeting and a very comprehensive report of the work of the visiting nurse during the past month. Eleven were present at the meeting, which was conducted by the vice-president, Mrs. A. L. Stewart.

## IS FINED FOR AN ASSULT

William Dugan Pleads Guilty in Case  
Once in Mayor's Court

William Dugan entered a plea of guilty to assault and battery this afternoon before Judge Sparks in circuit court and was fined \$5 and costs. The case was taken to the circuit court on an appeal from the mayor's court where Dugan was fined \$25 and given a suspended jail sentence of 30 days. Dugan was alleged to have struck Mrs. Charles Moore. The trouble occurred last summer over the digging of a ditch between the property of Dugan and that of Mrs. Moore.

**DINNER FOR BEVERIDGE.**  
Indianapolis, Ind., Feb. 6.—Friends of Albert J. Beveridge gathered in the Riley room of the Claypool hotel last night to honor the former senator for his achievements in law, statesmanship and literature. The affair was also in the nature of a homecoming celebration for Beveridge as he recently returned to Indianapolis after spending two years at Beverly Farm, Mass., while writing a biography of John Marshall. Charles W. Miller was toastmaster. Other speakers were: Dr. Hillary A. Gobin, James W. Noel, John C. Shaffer, Charles S. Osborn and George Harvey.

**"MOTHER IS SO CHEERFUL NOW"**  
Miss Mae Price Tells of Benefits Parent Derived From Use of Tanlac

South Bend, Ind., Feb. 5.—"Mother is so cheerful now, since Tanlac has placed her on the road to health," Miss Mae Price, of 716 Sherman avenue, this city, said on December 7. The mother, Mrs. Elizabeth J. Price, is improved rapidly since taking Tanlac although, according to the daughter, she had suffered almost constantly for several years.

"Mother's stomach has been out of order for a long time," Miss Price continued, "and her system generally has been run down. Her stomach was in a sickened soured condition most of the time. Her appetite was very poor and what little food she did eat caused her great annoyance and trouble. Often after eating, mother would become sick and would vomit.

"Tanalac was so highly recommended for these very troubles that I bought a bottle and asked mother to try it. She has taken two bottles of Tanlac now and she says she feels just fine. Her appetite is improved and her strength seems to be in a healthy condition, the sickened soured condition having vanished. She is able to keep on her stomach everything she eats now and her food is benefiting her. Her general health is much better."

Tanalac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness and the like and is fine for building up the system and relieving the after effects of the grippe, pneumonia, or a severe cold.

Tanalac is now being specially introduced and explained in Rushville at F. E. Wolcott's Drug Store; in Arlington at Mrs. L. T. Davis's; in Carthage at J. H. McCarthy and Sons and in Milroy at Barton's and Sheppards.—(Adv.)

STUBBORN ECZEMA  
HEALED BY AMOLOX

The New Discovery for the  
Relief and Cure for  
Chronic Skin Diseases

We are daily receiving letters of praise from people who have been cured by Amolox. Many of them tell how, for years, they have tried different remedies and doctors in the vain effort to find relief. Some became discouraged and lost all hope of ever being cured. E. R. Frisbee, 187 Sycamore St., Mansfield, O., writes: "Our baby's face was covered with eczema scales, sores and scabs. She was a pitiable sight. We tried everything. Took her to Pittsburg doctors but were unable to find any relief until we used Amolox. It cured her within a short time."

Amolox Ointment alone will quickly banish pimples, blackheads and take out all redness of the skin and cure most forms of skin disease. Bad, chronic cases of Eczema, Psoriasis, Tetter, that have lasted for years, yield more quickly when both ointment and liquid are used.

Send postal for free sample to Amolox Laboratories, Youngstown, Ohio. Try Amolox today. Trial size 50c. If it fails to do what is claimed of it money will be cheerfully paid back by HARGROVE & MULLIN, Druggists RUSHVILLE, INDIANA.

Helen Clark

Popular Concert  
Contralto

An American girl who has gained great popularity because of her rich voice and sound musicianship.

Thomas A. Edison Wants You  
To Hear This Test

Tuesday Evening, February 13 at 8:15, United Presbyterian Church

Music's re-creation! A reproduction of the human voice from the phonograph which the ear cannot distinguish from the living voice! Has Mr. Edison accomplished this miracle at last? Come—hear this astonishing test—and judge.

Miss Helen Clark, the popular concert Contralto will be here, at Mr. Edison's request, to offer you the only evidence by which you can really judge. She will sing side by side with Mr. Edison's re-creation of her voice! See if you can tell, without watching the motion of Miss Clark's lips, which is the living voice and which the re-creation.

What Is Your Judgment?

Mr. Edison insists upon this unique and daring test. For it tells more than the most vivid words can express. Its convincing frankness sweeps away all doubt. Mr. Edison wants your true judgment of his new musical art. He wants the judgment of every music lover. Has he re-created music? Has he eliminated all mechanical blemish? Has he preserved the living tones in all their reality?

He puts the original and his re-creation before you—side by side. He hides nothing. Asks no allowances. He dares to make the vital test that no one else but he has ever ventured. And he asks you to decide.

Call or Write for Complimentary Tickets

We want all music lovers in this community to hear this interesting and convincing test. Complimentary tickets will be distributed to those who apply in person at our store or by mail. You and your friends are urged to attend. Mr. Edison recommends that children under three years of age be not admitted as they do not realize that they can mar the intent of this recital by crying or talking. We advise you to apply early before all tickets are exhausted.

#### We Have a Few.

The super-sensitive man or woman is a puzzling proposition for a community to handle.

The person of acute sensibility suffers slights where none are intended. He is forever imagining that his friends are not as cordial as they should be.

The sensitive man wears his feelings on his sleeves, as it were, and they are forever being ruffled by the passer-by.

If this extreme sensitiveness in our neighbor were a fault in the strictest sense of the word we would know how to deal with him. But it is not such a fault. It is purely the result of self-consciousness and is frequently found in persons of a warm hearted disposition. They have a cordial liking for their friends and are perhaps of an impulsive, ardent temperament. Their feelings find vent in an effusiveness that rarely meets with the response which they think it merits, and disappointment is the result.

The great trouble with the sensitive man is that he has not yet realized that all men are not built on the same plan as himself. He should remember that there are almost as many different natures as there are individuals, and each has his own peculiar mannerisms and modes of expression.

A smile is simply the working of a certain set of facial muscles, and is just as easy to call up as a frown. Courtesy and kindness are two of the noblest qualities of humanity, and are attained at the smallest price.

Give the super-sensitive person a smile when you meet him. He will feel better, and so will you.

The widow of Col. John Jacob Astor, he who went down in the Titanic, has testified in court that \$20,000 a year does not pay the expenses of bringing up the Astor baby. If it costs \$20,000 a year to rear a mere baby, what would it cost to bring up a millionaire's pet poodle?

This is a funny world, anyway you take it. Preachers keep right on tying matrimonial knots and the judges promptly untie them.

We've paid the advance in the cost of eats, and clothing, and shoes, and print paper, and have managed to live through it, but this boost in the price of cigarettes and puff bags is too intolerable to bear. We demand an investigation.

ISN'T IT REMARKABLE how the crowds linger around that wonderful old Reo the Fifth chassis, study it point for point, inquire, admire, go away and compare—and inevitably drift back again?

ISN'T IT A TRIBUTE to Consistency of Policy—to Good Intent; to Sound Engineering; to Quality of Workmanship; and finally, to Reo service—the way they pay homage to that Reo the Fifth?

IT ISN'T NOVEL in the sense that some of the sensationally new inventions are.

THAT STRIPPED REO chassis has been a feature of every national automobile show for now eight successive seasons—in practically its present form.

JUST REFINED and improved in minor details from year to year (yes, month to month, for we Reo Folk do not make "season models" nor wait till just before Show-time to make changes. We make them any time their need is apparent—or we learn how):—

AS WE WERE SAYING: that Reo chassis has been a feature—yes, the feature—of the Show for several years—yet its popularity is greater now than ever, if crowds are any criterion.

JUST GOES TO SHOW that people are learning—that experience does teach. Experienced motorists, the seasoned Old Timers, are not looking for a car that is "different" but for one that is better.

AND THEY'VE FOUND that kind of car in Reos.

THE NEW REO SIX is beginning to rival the great Reo the Fifth in popularity. It will be a strong rival when there are as many in the hands of owners.

AS IT IS, REO the FIFTH has a tremendous advantage over the Six—more than one hundred thousand owners are singing its praises daily and hourly, while less than twenty thousand as yet know the Reo Six at first hand.

BUT SHE'S GAINING—just as rapidly as we can make them.

OF COURSE WE DON'T try to make all the automobiles—only the best ones. So naturally there's always an over-demand for Reos, all Reos, trucks as well as pleasure cars.

BUT WE WILL make fully twice as many Sixes the coming year—so next show time Reo the Fifth, that "incomparable" Four, will have to look to her laurels!

BUT BLESS YOU, no other than a Reo could ever hope to match a Reo either in popularity or performance!

PAID YOUR RESPECTS YET?—you owe it to yourself to do so. See the Reos—compare—then get your Reo while the getting's good. There won't be never has been—enough to go around.

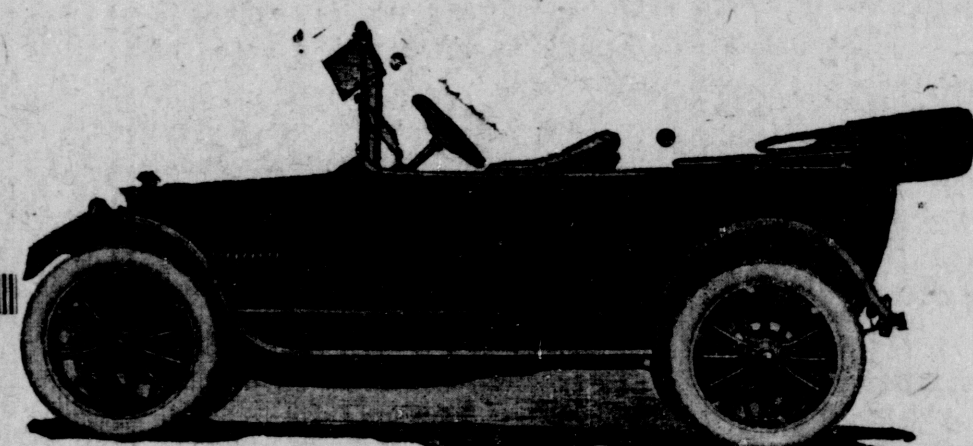

PRESENT PRICES apply only to orders for immediate delivery—we reserve the right to increase them without notice—may be compelled to at any time.

SO DON'T DELAY. Order and get your Reo now—if you can. If you delay there will be too many ahead of you. Today won't be a minute too soon.

## FALMOUTH PHONE CO. HOLDS ELECTION

William Groves is Elected to Board of Directors and B. H. Hackleman is Re-elected.

THERE ARE 275 STOCKHOLDERS

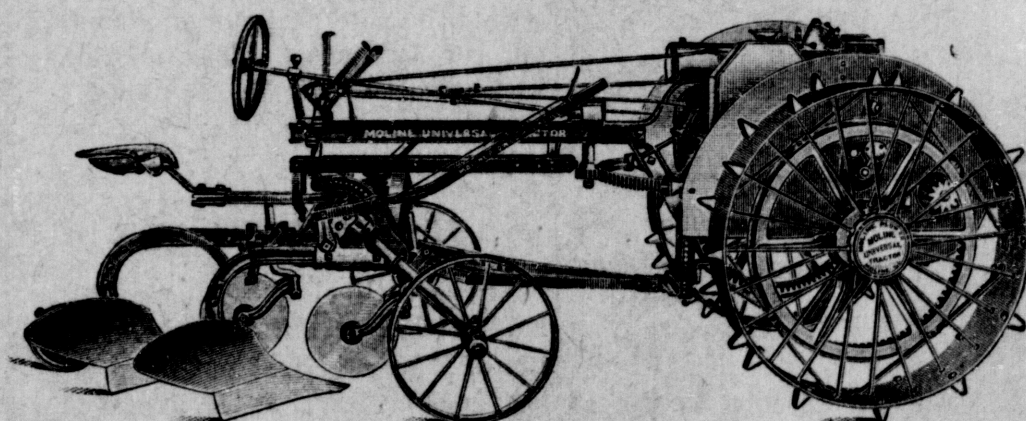

The Falmouth Telephone company held its annual stockholders meeting Monday afternoon. William Groves was elected to the board of directors to succeed Charles Freeman and B. H. Hackleman was re-elected. Other directors who hold over until next year are John Naylor, Sam Nixon and Frank McCrady. Mr. McCrady is president of the company and has two more years to serve. Immediately following the stockholders meeting the directors elected Mr. Hackleman secretary and treasurer of the company.

The annual report showed the company in good financial condition. The company is out of debt, has 275 stockholders and 18 rented phones.

The Orange telephone company's annual meeting was to have been held yesterday but the weather interfered. Out of a total of 150 stockholders only 15 attended the meeting and the election was postponed.

## DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel  
clean, sweet and fresh  
and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

# Five Big Things To Remember When Buying A GAS TRACTOR

## WORK AND ENDURANCE (NOT PRICE) DETERMINES VALUE:

The design of the tractor, the material of which it is built, and the company building it determines the work it will do, and how long it will last.

## CASE HAS BUILT FOR THE FARMER SINCE 1842:

Next year we celebrate our Seventy-fifth Birthday. Three-quarters of a Century-Think of it! We have lived and prospered only because we have made machinery that has made good with its users.

## CASE BUILDS 97% OF ALL PARTS USED IN CASE TRACTORS:

As a chain is no stronger than its weakest link, so a tractor is no stronger than its weakest part. With 97% Case-made and the other 3% subject to Case Laboratory tests, you can rely absolutely on the genuineness of every part of Case Tractors.

## STANDING OF THE CONCERN WHOSE TRACTOR YOU BUY:

You cannot take the tractor down, piece by piece, and see every part. For most of it you have to take some one's word. Let the reputation of the company be your guide to those things which you cannot see.

## WHICH TRACTORS WILL BECOME ORPHANS:

A leading agricultural paper one year ago said—"The good tractors can be counted on the fingers of one hand." There were more than 100 different makes. Now there are even more. With any Case machine you can always be sure of service. Remember our forty-four big branch houses throughout the country. "Better be Safe than Sorry."

# LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

### Wednesday

Pythian Sisters, in K. of P. hall, in the evening.

Officers and teachers meeting of the St. Paul's M. E. Sunday school, with Miss Helen Scudder at 402 West Second street, in the evening.

Juanita Club, with Mrs. Will Triennepohl and Mrs. Elsie Gregory at home of former at 220 Buena Vista Avenue, in the afternoon.

C. W. B. M. of Christian church in basement of the church at 2415 o'clock. Hostesses, ladies of the February division.

Young Ladies Missionary society of United Presbyterian church, with Mrs. Hal Pike at 342 West Ninth street, in the afternoon.

Foreign Missionary society of St. Paul's M. E. church, with Mrs. George Davis at 104 East Seventh street at 2:30 o'clock.

Mr. and Mrs. Gunn Haydon and Dr. and Mrs. Carl Beher entertained at dinner yesterday, Dick Wilson of Jackson, Miss., Mr. and Mrs. J. Hooker Wilson and Mrs. Rachael Bowen.

A surprise is promised for next Monday evening at the meeting of the Young Ladies Mission Circle of the Christian church which is to be held at the home of the Misses Florence and Elizabeth Gronier in North Main street. This will take the place of the program. The meeting is the regular monthly meeting of the Circle.

The Woman's Foreign Missionary society of the St. Paul's M. E. church will meet tomorrow afternoon at 2:30 at the home of Mrs. George Davis at 104 East Seventh street. The lesson of the afternoon promises to be particularly interesting, for Miss Ella Macey will review the 3rd chapter in the Mission Study Book on "World Missions and World Peace." The women of the church are invited to attend.

Bans for the coming marriage of Miss Ruth Harwell of Glenwood and Fred Hackman of Connersville were published at the Catholic church in Connersville Sunday. Miss Harwell is well known here, having graduated at the local high school. She was also a member of the Alpha Omicron Pi sorority while a student at De Pauw University at Greencastle. The wedding will take place in the near future.

A baby boy weighing nine pounds was born to the wife of Carl Beach of near Gowdy Sunday.

Children pull at the heart strings and their slightest illness means anxiety.

For nearly a half century mothers have had Dr. King's New Discovery at hand for croup, congestion, coughs, colds and grippe.

The mildly laxative ingredients expel the cold germs, the choking phlegm is raised, the congested chest is relieved, the cough loosened and a serious illness is averted.

Get a bottle of Dr. King's New Discovery at your druggist to-day.

The Donnan class will meet on Saturday afternoon at the home of Mrs. B. F. Miller in North Morgan street.

The meeting of the Grand Club which was to have been held with Mrs. Robert Tompkins on Wednesday of this week has been postponed until a later date.

The meeting of the Band of Workers of the First Presbyterian church which was originally to have been held tomorrow has been postponed for two weeks. The meeting at that time will be an all day affair in the church parlors.

A recent announcement of interest here is the engagement of Miss Grace McKee, daughter of Mr. and Mrs. D. W. McKee of Connersville, to Francis Lee Bottles of Kansas City, Mo., Miss McKee is quite well known in this city, having visited here. She is a member of the Tri Kappa sorority and at the present time society editor on the Connersville Examiner.

The wedding will take place early in March after which the couple will make their home in Kansas City, where Mr. Bottles is manager of the Lexington Motor Company.

"Beans in Honolulu" is the title of the playlet to be presented by the boys of the Epworth League of the St. Paul's M. E. church who were on the losing side in the recent contest and for that reason are to furnish the entertainment at the Epworth League social this evening in the church. The Bean family playing their Hawaiian instruments will be one feature of the entertainment. It will begin at six o'clock and the first part of the evening will be given over to the box social, for which the girls are asked to bring lunch boxes.

The Glenwood Surprise Club honored Mr. and Mrs. C. M. Brooks at their home in Glenwood on Monday evening, coming in upon them rather unexpectedly. The evening was spent in playing games and later a delicious luncheon was served. The guests of Mr. and Mrs. Brooks were Mr. and Mrs. Lewis Matney, Mr. and Mrs. Earl Ruff, Mr. and Mrs. E. S. Wilson, Mr. and Mrs. Otto Cameron, Mr. and Mrs. M. H. Fielding, Mr. and Mrs. Thomas Reed of Orange, Mr. and Mrs. J. E. Holmes, A. J. Britt, the Misses Edna Ruff, Helen Reed, Oletha Duckate, Effie Matney and Margaret Britt, and Russel and Edgar Ruff.

The closing festivity for the houseparty guests of Miss Elsie Frazee and Miss Phyllis Dean was given last evening by Miss Charlotte Norris at her home in North Main street. The Oxford college girls who were the guests of honor were the Misses Ingeborg Johnson of Texas, Margaret Cox of Kentucky, Isabelle McNeil of Illinois and Lucile Abel of Kentucky. The merry company of young people was informally entertained, enjoying a series of dances for which music was played by John Lewis. Light refreshments were served late in the evening.

Miss Dean and the four guests returned today to Oxford where they are students in Oxford college, after spending the past few days here.

Twenty-five members of the Loyal Daughters of the Christian Sunday school were present at the meeting of the class held at the home of Miss Hazel Hayes in North Perkins street last evening when she was assisted in entertaining by the Misses Bessie Bates, Mable Mahan and Nettie Ormes. Mrs. Scott Hosier was elected to take the presidency in the place of Mrs. Elmer Westfall who leaves the latter part of the week to make her home in Columbus, Ind. As a farewell gift, the members of the class presented Mrs. Westfall with a beautiful set of a tablecloth and napkins to match.

During the business meeting, a treasurer's report was given and several other matters brought up. The social feature of the meeting was especially pleasant, light refreshments being served by the hostesses. The next regular meeting will be in two weeks at the home of Mrs. Hosier.

## New Season's Fashions Shown in Coats and Suits

This week---an advance showing of spring modes in coats and suits will be made in our windows and on our second floor, comprising distinctly different models not seen elsewhere. The use of soft wool, khaki-kool, Jersey cloth, wool poplin, man's wear serge and gaberdine is noteworthy in this showing of modish garments. These beautiful materials include a wonderful range of colors and shades, among which are cement, chartreuse, apple green, both in plain check, gold, American beauty and rooky.

Altho the weather indicator does not point to spring garments, nevertheless these models serve as an indicator for spring fashions. We shall be glad to show the trend of styles to all of our customers. This is an opportunity for you to be prepared for the first spring day.

We are showing a complete line of place cards, seals, favors, crepe paper, paper napkins and decorations for the Valentine season. Those expecting to entertain will profit by seeing our beautiful display.

## The Mauzy Company

The members of the Monday "500" Club spent a delightful afternoon yesterday as the guests of Mrs. Carl Beher at her home in North Main street. The afternoon was spent in interesting games of "500." The club will meet again in two weeks.

A very artistic program was given at the meeting of the Ladies Musicale held at the court house yesterday afternoon in the assembly room, under the leadership of Mrs. Hugh Mauzy and Mrs. Will Amos. There were three beautiful duo piano numbers by Miss Norma Smith and Mrs. Hugh Mauzy, a solo by Miss Anna Poundstone, and a trio by Mrs. Francis Moor, Mrs. George Wiltse and Miss Alice Norris. Miss Smith and Miss Frances Frazee gave a dialogue and there was a double duet by Mrs. Will Amos, Mrs. Esther McCloud, Miss Smith and Miss Edith Buell.

Several important matters concerning the meetings and programs for the coming year were discussed, although nothing definite was done. The report of the nominating committee was given and officers will be elected at the next business meeting.

The program for the next meeting on Monday February 19th, will be carried out in a novel way. It is to be on "Oriental Music" and in illustrating it a musical playlet will be given. There will be readings and several special numbers in costume. The program will be in given in the auditorium of the Graham Annex and is in charge of Mrs. E. I. Woodn, Miss Clorenne Amos and Miss Frances Frazee.

### FINGER IS MANGLED.

Paul Doll will probably have to have the middle finger of his right hand amputated as a result of an accident yesterday, while working at a machine in the Chas. E. Francis Co. factory, where he is employed. The machine, he thought, had been stopped, and it started again while his finger was in the gear, mangling the finger and breaking the bone up to the first joint.

### ODD FELLOW INITIATION

Franklin lodge No. 35 will confer the initiatory degree Wednesday evening. Music will be furnished by the orchestra. Every member is urged to attend.

## MILROY LOSES ONE

The Milroy independent basketball team lost to the Greensburg Y. M. C. A. five Saturday night, 31 to 21, at Milroy. Milroy was handicapped by the fact that their star forward and center did not play.

## GAME CALLED OFF.

The basketball game scheduled to be played by the Milroy and Homer high school last Friday night had to be called off on account of the epidemic of measles at Homer but will be played later in the season. Much interest had been displayed in that game because it would settle who was really the winner of the invitational tournament held at Milroy recently.

## DIES AT DAUGHTER'S HOME

Mrs. Elsie Lee Masters, Age 85, Expires of Senility

Mrs. Elsie Lee Masters, 85 years, widow of the late Jacob Masters, died late Monday afternoon at the home of her daughter, Mrs. Sarah Trassler in North Harrison street, following an illness of four weeks. Death was due to senility. Mrs. Masters had made her home here with her daughter since the death of her husband last June. Besides Mrs. Trassler, she is survived by two other children, Milton Masters of Oklahoma and John Masters of Warrington, Ind. The remains were taken to Marion this morning where the funeral services will be conducted.

## Amusements

The Princess will show the feature picture "The Thoroughbred" for the program tonight. Frank Keenan is featured and it is said to tell a great story of the race track. It is a racing story with a fine show of horse flesh. Tomorrow "The Spell of the Yukon" will be the offering in which Edmund Breesse and Christine Mayo are featured.

In each of the large cities where D. W. Griffith's "The Birth of a Nation" which will be seen at the Graham Annex, Monday, Feb. 12, was produced last summer, there were long lines of patrons waiting to buy seats at the box offices. Absolute capacity was the rule for many months. During the dull times that had fallen upon the theatre these lines of queues of prospective buyers had practically disappeared. "Oh, there won't be any advance sale!" said the box-office attendant wearily when asked about an engagement. It took a Griffith production of pictures and music—not words—to bring back the long absent queues. New York's Broadway, Chicago's Loop, Boston's Tremont Street, looked like old times again; with the box office forces doubled and the lines of "The Birth of a Nation" admirers stretching to the curb or even to the next street. The same phenomenon has been repeated in all the other cities which the play has visited the present season. It means of course that the high class theatre is not moribund. Only the touch of David W. Griffith's master wizardry has been required to infuse it with life.

The seat sale has been opened at Hargrove and Mullin's drug store, and mail orders now may be sent with remittance made payable to W. F. Easley, Mgr.

In the title role of the new Cohan and Harris farce, "Hit-the-Trail Holiday," at English's Opera House for an engagement of three nights, commencing Thursday, February 8, and Saturday matinee, playgoers in Indianapolis and surrounding towns will see Fred Noblo for the first time in several years, in fact the first time since he has attained the rank of star. Mr. Noblo created the role, and it probably will prove a source of gratification that Cohan and Harris have sent him and others of the cast that made the piece such a tremendous success on Broadway all during the original run last season, to present the play on the road.

Mr. Noblo's role in "Hit-the-Trail Holiday," it is widely believed, bears a certain resemblance to phases of Billy Sunday's character, so marked, it must have been intentional. Only the evangelist who got so many to "hit the trail" was a reformed ball player, and "Hit-the-Trail Holiday" is a reformed bar tender. Before the play gets past the true-to-life barber shop scene, with which it opens, it is learned, that Holliday has come to the little town of Johns-give prestige to the bar in a new burg at a salary of \$100 a week to hotel built by the brewery interests, because the proprietor of the temperance hotel there wouldn't put in beer when told. But while getting shaved and manicured, Holliday, like others who go to barber shops, got a lot of useful information, and decided he would not be a bartender in that town after all. He torped in with the down-trodden proprietor of the temperance place, who was manufacturing and trying to sell "nearly beer," a temperance drink, and in two weeks they have the brewers begging for mercy. Holliday is making temperance speeches and writing for the magazines and posing for motion pictures. Also he wins the heart of the town minister's daughter and becomes better known in the community than Col. Roosevelt in Oyster Bay.

That is the outline of a plot which is said to teem with the original and delightful George M. Cohan brand of humor. Mail orders for seats for this attraction are being received now at English's and will be filled and returned promptly in order of their receipt.

## FARLOW MURDER TRIAL IS STARTED

Crawfordsville Man Faces Charge of Killing Walter Johnson in Indianapolis

## MYSTERIOUS "DAVE" IN CASE

(By United Press.) Indianapolis, Ind., Feb. 6.—George Farlow, Crawfordsville, went on trial in criminal court here today for the murder of Walter Johnson, also of Crawfordsville, in this city last October. Johnson's body was found beside the canal on the night of Oct. 16. Following an investigation, Farlow was arrested and held for grand jury action.

Farlow was wearing a pair of trousers which Johnson was wearing when last seen, when arrested.

The accused man declares that he came to Indianapolis on the night of the murder and they met a mysterious "Dave," who killed Johnson. Farlow claims that "Dave" forced him to put on Johnson's trousers after the latter had been slain.

## VIEWERS NAMED ON ROAD PETITION

Three Appointed by Commissioners to Report on Request to Change Ellison Highway

## DRAIN ORDERED CONSTRUCTED

The commissioners before adjourning Monday appointed viewers for the Elmer E. Ellison road in Jackson township. The petition asks for a change in the established highway. The viewers named were Charles Alter of Orange township, H. Lee Wilson of Union township and George Bell of Center township. The viewers were ordered to report March 5.

The commissioners also approved the assessments for the Thomas Nelson drain in Posey township and ordered the township trustee to collect the money and proceed with the construction. New assessments were made when the commissioners sustained a remonstrance. The assessments as they stand now are said to be unsatisfactory and it is reported that proceedings will be brought against the trustee to prevent him from collecting the assessments.

Brazil Also Announces She Will Ob-  
ject to Germany's Order as  
Violation of Law

(By United Press.)

Washington, Feb. 6.—The most far reaching preparedness legislation ever introduced at one time in both branches of congress was favorably reported to the house today by Chairman Padgett of the naval committee.

The measure authorizes the president to commandeer all ship building plants, all plants capable of producing war material, places at the president's disposal \$150,000,000 to rush completion of ships and needed war materials and appropriates \$1,000,000 to purchase the basic patent of an aeroplane suitable for army and navy use.

## SPAIN SENDS A PROTEST

Sending of Note Precludes Possi-  
bility of a Break Now

(By United Press.)

Madrid, Spain, Feb. 6.—Spain made formal protest to Germany against the unlimited submarine campaign started February 1 in a note handed to the German ambassador here today.

Action in sending a note of protest precludes an immediate break of relations between Spain and Germany. It is stated, however, that the note declines to suspend Spanish shipping so that an overt act by Germany will continually be present.

to Avoid Conflict

HOPES IT WILL NOT BE WAR

(By United Press.)

Washington, Feb. 6.—"I think there are other international relations that are more ominous and more imminent than those with Germany," Senator Poindexter said today.

"The country is more or less aroused by strained relations with Germany. I am very much in hope that there will not be a material conflict with the great German empire and the United States of America."

"There are various reasons for

## ANSWER MAY BE A WAR DECLARATION

Belief is Rapidly Crystallizing Among  
Officials That This Step is  
Inevitable

HER BASIS FOR SUCH AN ACT

By ROBERT J. BENDER  
(U. P. Staff Correspondent.)

Washington, Feb. 6.—Germany's answer to President Wilson's notice of a diplomatic break is expected within 24 hours. It may be a declaration of war.

Belief is rapidly crystallizing among officials that this final step is inevitable and it would cause no surprise if Germany took it now. When the Sussex sinking threatened the diplomatic break Ambassador Von Bernstorff said it would result in an immediate declaration of war by Germany. At the same time President Wilson told members of the foreign relations committee that he had been "reliably informed" that actual war would follow a break.

Should Germany declare war some officials believe she would base her declaration on President Wilson's active efforts to align all neutral governments in a break.

All Americans have been advised to leave Germany. It was learned today instructions forwarded to Ambassador Gerard and American consuls Saturday were to give them this advice and to assist them in leaving whenever possible.

## REPORT SAYS LIFE BOAT WAS SHELLED

Official Word of Sinking of Eave-  
stone Indicates Germany Has  
Cast Caution Overboard

INCREASES THE TENSION

By CARL D. GROAT  
(U. P. Staff Correspondent.)

Washington, Feb. 6.—Conclusive proof that Germany intends to wage her war of ruthlessness as evidenced by the Evestone case increased the tension in Washington today.

Official word on the destruction of the Evestone with the loss of one American negro sailor's life indicated to officials that Germany has cast caution overboard. The report said the men were shelled after taking to life boats. This is contrary to all international law.

The fact that the Evestone was a British naval collier tended to mitigate the sinking of the vessel but nothing in international rules excuses shelling of life boats.

Germany herself made this point in the Baralong case.

that; there are many indications, I think, in the last few days, of a disposition on the part of Germany to avoid such a conflict."

## STOP AMERICAN STEAMER

(By United Press.)

London, Feb. 6.—A German submarine stopped the American steamer Westwego and only permitted her to proceed without sinking when that vessel acceded to the German commander's demand for three barrels of lubricating oil.

The American consul at Liverpool reported these circumstances to the American embassy today.

## SUFFRAGE BILLS NOT HANDED DOWN

Suffragists Who Gathered From All  
Parts of State are Disappoint-

SHERIFFS BILL IS KILLED

(By United Press.)

Indianapolis, Ind., Feb. 6.—Representative Johnson's bill providing that the pay for sheriffs boarding prisoners be increased was killed in the house today following a hot argument. The committee on fees and salaries had given a divided report on the bill, the minority favoring postponement.

Johnson declared that the cost of food had increased fifty per cent and that sheriffs were entitled to more pay. Other representatives declared sheriffs were making large sums of money out of the arrangement and the minority report was adopted killing the bill.

The suffrage bills were not handed down in either house today much to the disappointment of suffragists who gathered here from all parts of the state to urge the passage of the measure.

The senate passed five bills.

## PERKINS GAMING CASE IS CONTINUED

Similar One Against Ora Morgan,  
Outgrowth of Grand Jury In-  
vestigation, Set for Thursday

ONEAL FINED \$10 AND COSTS

The case against Charles Perkins, charged with gaming, which was scheduled to start this morning in circuit court, was continued and will probably not be tried until later in the term. Yesterday attorneys entered their appearance for Perkins, and while he could not be found, it was agreed to continue the case. The next case set for trial is that against Ora Morgan. The Morgan case is set for Thursday. He is charged with gaming and with keeping a gaming house.

William Oneal entered a plea of guilty yesterday to a charge of keeping a gaming house and was fined \$10 and costs. The charge was the result of a rummy game and he was indicted by the grand jury. Oneal has been out of the city and the arrest was made only yesterday. Two charges of allowing minors to play pool were dismissed. The charge against Denny Ryan of keeping a gaming house was dismissed because he is a partner of Oneal's and one indictment was sufficient against the partnership firm.

## COMMISSIONER TO HEAR PETITION HERE

Member of State Utilities Body Will  
be in Rushville for Gas Hear-  
ing Thursday

SNYDER WANTS TO SELL GAS

A member of the Public Service Commission will be here Thursday to conduct a public hearing on the petition of J. Harvey Snyder to be given permission to operate a gas plant here. The hearing will be held in the assembly room of the court house starting at ten o'clock.

Snyder is the owner of a single gas well located in West First street and he asks permission to sell gas from this well. The city will be represented at the hearing and will insist that Snyder's territory be confined so that he cannot cross First street to the north.

Should Snyder consent to the restrictions the city will not oppose the proposition. The city does not desire the paved street to be torn up and there will be no objections should the petitioner agree to confine his operations to a certain territory.

## UNION BUILDING IN NEWCASTLE BURNS

Fire in Center of Business District  
This Afternoon Threatens to  
Spread to Other Places

TIMES PLANT IS DESTROYED

(By United Press.)

Newcastle, Ind., Feb. 6.—The Union building, housing the Newcastle Times, many professional men's offices and some retail stores, was in flames here this afternoon and danger of the whole block in the heart of the business district being destroyed was imminent. Appeals for help were sent to Muncie, Richmond and Indianapolis.

The fire was discovered at 12:10 o'clock in the basement of the Times plant. Early estimate put on the loss of the building and contents was \$150,000. The loss to the Times was put at \$20,000; to six doctors with offices in the building, \$6,000; to retail stores in the building, \$20,000.

The building belonged to Senator Walter S. Chambers and a company of Newcastle business men. Senator Chambers is sole owner and editor of the Times, the democratic newspaper of this city. The Times was practically a complete loss, only a few records and typewriters being saved.

## MONDAY COLDEST DAY OF THE WINTER

County Weather Observer's Record  
Shows Average Temperature to  
be 2 Below Zero

SNOW IS EXPECTED NOW

Yesterday was the coldest day of the winter, according to the records of the county weather observer at Mahtz. The average temperature for 24 hours was two degrees below zero. The coldest day previous to yesterday was one above zero for the same period.

Today, however, the temperature was getting on speaking terms with the freezing point once more and indications pointed to snow. Today was the first day that has not been severely cold since last Friday when the first cold wave came in.

The temperature this afternoon was up to thirty degrees above zero and the snow was beginning to melt. The indications were for still warmer weather tonight.

## HEARING HELD ON JINNETT BILL

Members of City Administration  
Argue Before Legislature Com-  
mittee in Favor of Measure

MAHIN MAKES SHORT TALK

Bill Provides Municipally Owned Wa-  
ter and Light Plants be Ex-  
empted From Commission

Mayor Bebout, Councilman Seader and A. T. Mahin, superintendent of the water and light plant, attended the public hearing of the Jinnett "home rule" bill which would exempt municipal water and light plants from coming under the jurisdiction of the Public Service Commission, before the house Judiciary A committee last night in Indianapolis.

A concerted effort is being made by the municipally owned plants to have the law changed so as to exempt these plants from coming under the jurisdiction of the commission and the 96 plants of this character in the state are backing the Jinnett bill.

A. T. Mahin of the local plant made a brief talk to the committee, telling of Rushville's experience with the commission. The men backing the bill go on the theory that the commission has enough work without bothering with the municipal plants and in support of this contention Mr. Mahin cited the case of Rushville. The city petitioned for a change in rates and a decision was withheld for a period of two years.

The committee meeting lasted until a late hour and no indication was made as to how the committee would report on the bill. A report on the bill, however, is expected soon. There is a strong lobby working against the Jinnett bill. The opposition comes from privately owned utilities of this nature. The opposition is especially strong from cities where a private utility is operated in competition with the city plant.

Early last month a meeting of city officials was held in Indianapolis when plans were discussed for severing relations with the Public Service Commission. The Jinnett bill is the direct result of this conference. There are 96 municipally owned plants in the state and they all favor the taking of their affairs from the public service commission and allowing the cities to govern their own affairs.

Other speakers before the committee were Mayor W. J. Hosea of Fort Wayne and L. H. Stevens of Anderson. Mr. Stevens is a former state representative from Madison county. The debate centered mostly around conditions in Fort Wayne. Charles D. Kelso of New Albany, and William McInerney of South Bend opposed the bill before the committee. Representative Jinnett, the author of the bill, is a member of this committee and will speak in favor of the measure should it be reported from the committee.

## Donate a Lot and Help Get Factory

Another lot was donated to the factory fund today. Phil Wilk announced that he had a lot which he would put in with the number which will be sold at \$150 each for the purpose of bringing a factory to Rushville. The lots will be distributed to the buyers by a drawing. The contributors will receive \$150 worth of stock in the factory for each lot donated. The lots will sell for \$150 each. Two lots have already been given as follows:  
John Crowley, one lot.  
Phil Wilk, one lot.

Greencastle, Pa. University is planning to establish a Riley chair of English literature.

## FLOWER CONTEST TO BE CONDUCTED

Women's Council Determines on This  
Project but Defers Action on  
Sewing School

SEEDS WILL BE SOLD CHEAP

Prizes Will be Awarded for Best  
Collections of Flowers and Vege-  
tables—A Grand Prize

The flower show in which the school children of Rushville are to compete for prizes with flowers which they have grown themselves is a certainty. Such was the decision at the meeting of the Women's council held in the director's room of the Rushville National bank last evening. Early in the spring, preceding the shows seeds are to be sold to the school children and instructions given for those wishing to enter the contest.

The decision about the sewing school was deferred until the next meeting which will be held the 5th of March. Judging from the sewing school which was conducted several years ago, this was conceded to be the best phase of social service work ever undertaken here, considering the cost of maintenance. Much praise was voiced last evening for Mrs. T. W. Betker who was in charge of the sewing school conducted here in former years. The only drawback considered in connection with the sewing school, which would be a free institution for those wishing to take a course in sewing, was the fact that the members of the Women's council do not feel as if they have enough time to maintain the school, themselves.

The question of the annual flower show was passed without a dissenting vote. Early in the spring, seeds for flowers and vegetables will be sold to the school children at one cent a package and trees, shrubs, and bulbs will be sold from one to eight cents. At the flower show, prizes will be offered for the largest and best collection of vegetables, and the best varieties of flowers. Flowers and vegetables coming from yards which are not well kept will not be considered. The grand prize will be given for the yard which has shown the greatest improvement in neatness and cleanliness. This competition will be effective only in prescribed districts; that is the contest will be conducted fairly considering the location and condition of the yards at the beginning of the contest.

Every school in the city will be included in the contest.

A treasurer's report was given at the meeting and a very comprehensive report of the work of the visiting nurse during the past month. Eleven were present at the meeting, which was conducted by the vice-president, Mrs. A. L. Stewart.

## IS FINED FOR AN ASSULT

William Dugan Pleads Guilty in Case  
Once in Mayor's Court

William Dugan entered a plea of guilty to assault and battery this afternoon before Judge Sparks in circuit court and was fined \$5 and costs. The case was taken to the circuit court on an appeal from the mayor's court where Dugan was fined \$25 and given a suspended jail sentence of 30 days. Dugan was alleged to have struck Mrs. Charles Moore. The trouble occurred last summer over the digging of a ditch between the property of Dugan and that of Mrs. Moore.

**The New Discovery for the Relief and Cure for Chronic Skin Diseases**

We are daily receiving letters of praise from people who have been cured by Amolox. Many of them tell how, for years they have tried different remedies and doctors in the vain effort to find relief. Some become discouraged and lost all hope of ever being cured. E. T. Frisbee, 187 Sycamore St., Mansfield, O., writes: "Our baby's face was covered with eczema scales, sores and scabs. She was a pitiable sight. We tried everything. Took her to Pittsburgh doctors but were unable to find any relief until we used Amolox. It cured her within a short time."

Amolox Ointment alone will quickly banish pimples, blackheads and take out all redness of the skin and cure most forms of skin disease. Bad, chronic cases of Eczema, Psoriasis, Tetter, that have lasted for years, yield more quickly when both ointment and liquid are used.

#### We Have a Few.

The super-sensitive man or woman is a puzzling proposition for a community to handle.

The person of acute sensibility suffers slights where none are intended. He is forever imagining that his friends are not as cordial as they should be.

The sensitive man wears his feelings on his sleeves, as it were and they are forever being ruffled by the passer-by.

If this extreme sensitiveness in our neighbor were a fault in the strictest sense of the word we would know how to deal with him. But it is not such a fault. It is purely the result of self-consciousness and is frequently found in persons of a warm hearted disposition. They have a cordial liking for their friends and are perhaps of an impulsive, ardent temperament. Their feelings find vent in an effusiveness that rarely meets with the response which they think it merits, and disappointment is the result.

The great trouble with the sensitive man is that he has not yet realized that all men are not built on the same plan as himself. He should remember that there are almost as many different natures as there are individuals, and each has his own peculiar mannerisms and modes of expression.

A smile is simply the working of a certain set of facial muscles, and is just as easy to call up as is a frown. Courtesy and kindness are two of the noblest qualities of humanity, and are attained at the smallest price.

Give the super-sensitive person a smile when you meet him. He will feel better, and so will you.

The widow of Col. John Jacob Astor, he who went down in the Titanic, has testified in court that \$20,000 a year does not pay the expenses of bringing up the Astor baby. If it costs \$20,000 a year to rear a mere baby, what would it cost to bring up a millionaire's pet poodle.

This is a funny world, anyway you take it. Preachers keep right on tying matrimonial knots and the judges promptly untie them.

We've paid the advance in the cost of eats, and clothing, and shoes, and print paper, and have managed to live through it, but this boost in the price of cigarettes and puff bags is too intolerable to bear. We demand an immediate reduction.

# REO

## The Oldest Car in the Show

### ---Yet the Most Interesting

ISN'T IT REMARKABLE how the crowds linger around that wonderful old Reo the Fifth chassis, study it point for point, inquire, admire, go away and compare—and inevitably drift back again?

ISN'T IT A TRIBUTE to Consistency of Policy—to Good Intent; to Sound Engineering; to Quality of Workmanship; and finally, to Reo service—the way they pay homage to that Reo the Fifth?

IT ISN'T NOVEL in the sense that some of the sensationally new inventions are.

THAT STRIPPED REO chassis has been a feature of every national automobile show for now eight successive seasons—in practically its present form.

JUST REFINED and improved in minor details from year to year (yes, month to month, for we Reo Folk do not make "season models" nor wait till just before Show-time to make changes. We make them any time their need is apparent—or we learn how) :—

AS WE WERE SAYING: that Reo chassis has been a feature—yes, the feature—of the Show for several years—yet its popularity is greater now than ever, if crowds are any criterion.

JUST GOES TO SHOW that people are learning—that experience does teach. Experienced motorists, the seasoned Old Timers, are not looking for a car that is "different" but for one that is better.

AND THEY'VE FOUND that kind of car in Reos.

THE NEW REO SIX is beginning to rival the great Reo the Fifth in popularity. It will be a strong rival when there are as many in the hands of owners.

AS IT IS, REO the FIFTH has a tremendous advantage over the Six—more than one hundred thousand owners are singing its praises daily and hourly, while less than twenty thousand as yet know the Reo Six at first hand.

BUT SHE'S GAINING—just as rapidly as we can make them.

OF COURSE WE DON'T try to make all the automobiles—only the best ones. So naturally there's always an over-demand for Reos, all Reos, trucks as well as pleasure cars.

BUT WE WILL make fully twice as many Sixes the coming year—so next show time Reo the Fifth, that "incomparable" Four, will have to look to her laurels!

BUT BLESS YOU, no other than a Reo could ever hope to match a Reo either in popularity or performance!

PAID YOUR RESPECTS YET?—you owe it to yourself to do so. See the Reos—compare—then get your Reo while the getting's good. There won't be never has been—enough to go around.

PRESENT PRICES apply only to orders for immediate delivery—we reserve the right to increase them without notice—may be compelled to at any time.

SO DON'T DELAY. Order and get your Reo now—if you can. If you delay there will be too many ahead of you. Today won't be a minute too soon.

## FALMOUTH PHONE CO. HOLDS ELECTION

William Groves is Elected to Board of Directors and B. H. Hackleman is Re-elected.

### THERE ARE 275 STOCKHOLDERS

The Falmouth Telephone company held its annual stockholders meeting Monday afternoon. William Groves was elected to the board of directors to succeed Charles Freeman and B. H. Hackleman was re-elected. Other directors who hold over until next year are John Naylor, Sam Nixon and Frank McCrady. Mr. McCrady is president of the company and has two more years to serve. Immediately following the stockholders meeting the directors elected Mr. Hackleman secretary and treasurer of the company.

The annual report showed the company in good financial condition. The company is out of debt, has 275 stockholders and 18 rented phones.

The Orange telephone company's annual meeting was to have been held yesterday but the weather interfered. Out of a total of 150 stockholders only 15 attended the meeting and the election was postponed.

# DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel  
clean, sweet and fresh  
and avoid illness.

Sanitary science has of late made  
rapid strides with results that are of  
unfathomable blessing to humanity. The lat-  
est application of its untiring research  
is the recommendation that it is as  
necessary to attend to internal sanitation  
of the drainage system of the hu-  
man body as it is to the drains of the  
house.

Those of us who are accustomed to  
feel dull and heavy when we arise,  
splitting headache, stuffy from a cold,  
foul tongue, nasty breath, acid stom-  
ach, can, instead, feel as fresh as a  
daisy by opening the sluices of the sys-  
tem each morning and flushing out the  
whole of the internal poisonous stag-  
nant matter.

Everyone, whether ailing, sick or  
well, should, each morning before  
breakfast, drink a glass of real hot  
water with a teaspoonful of limestone  
phosphate in it to wash from the stom-  
ach, liver and bowels the previous  
day's indigestible waste, sour bile and  
poisonous toxins; thus cleansing,  
sweetening and purifying the entire  
alimentary canal before putting more  
food into the stomach. The action of  
hot water and limestone phosphate on  
an empty stomach is wonderfully in-  
vigorating. It cleans out all the sour  
fermentations, gases, waste and acidity  
and gives one a splendid appetite for  
breakfast. While you are enjoying  
your breakfast the phosphated hot  
water is quietly extracting a large vol-  
ume of water from the blood and get-  
ting ready for a thorough flushing of  
all the inside organs.

The millions of people who are bor-  
tered with constipation, bilious spells,  
stomach trouble, rheumatic stiffness;  
others who have sallow skins, blood  
disorders and sickly complexions are  
urged to get a quarter pound of lime-  
stone phosphate from the drug store.  
This will cost very little, but is suf-  
ficient to make anyone a pronounced  
crank on the subject of internal san-  
itation.

# Five Big Things To Remember When Buying A GAS TRACTOR

## WORK AND ENDURANCE (NOT PRICE) DETERMINES VALUE:

The design of the tractor, the material of which it is built, and the company building it determines the work it will do, and how long it will last.

## CASE HAS BUILT FOR THE FARMER SINCE 1842:

Next year we celebrate our Seventy-fifth Birthday. Three-quarters of a Century-Think of it! We have lived and prospered only because we have made machinery that has made good with its users.

## CASE BUILDS 97% OF ALL PARTS USED IN CASE TRACTORS:

As a chain is no stronger than its weakest link, so a tractor is no stronger than its weakest part. With 97% Case-made and the other 3% subject to Case Laboratory tests, you can rely absolutely on the genuineness of every part of Case Tractors.

## STANDING OF THE CONCERN WHOSE TRACTOR YOU BUY:

You cannot take the tractor down, piece by piece, and see every part. For most of it you have to take some one's word. Let the reputa-  
tion of the company be your guide to those things which you cannot see.

## WHICH TRACTORS WILL BECOME ORPHANS:

A leading agricultural paper one year ago said—"The good tractors can be counted on the fingers of one hand." There were more  
than 100 different makes. Now there are even more. With any Case machine you can always be sure of service. Remember our  
forty-four big branch houses throughout the country. "Better be Safe than Sorry."

been sick for some time, is showing  
some improvement.

Mrs. Bessie Gray went to Indiana

Mrs. Minnie Stevens of Indiana-  
polis is visiting her parents, Mr. and  
Mrs. James Gray.

William H. Mauzy of Indianapolis  
visited Mr. and Mrs. James W.  
Mauzy Tuesday.

Mr. and Mrs. Gilbert Austen of  
Gings spent Thursday evening with  
Mr. and Mrs. Elmer Wynn.

The Rev. Mr. Lovell of Indianapo-  
lis will preach at Ben Davis Creek  
church next Sunday morning and ev-  
ening.

Mr. and Mrs. Neelus and family of  
Mauzy have moved to their new  
home near Marion.

## Kelley Convertible Truck Attachment. For Ford Chassis. \$385.00

The Kelley convertible rear-system truck attachment for Ford Chassis has been designed and de-  
veloped to meet the most universal requirements of buyers of medium-weight trucks. In the produc-  
tion of this truck unit the principal features aimed at are:

- (1) A one-ton truck for general service, of moderate cost and low operating expense.
- (2) Thorough, dependable construction, of standardized parts, to give highest efficiency and economy.
- (3) Simplicity of construction and ease of assembling.

The Kelley Truck employs the use of a one-ton "Calfor" SHAFT and INTERNAL GEAR DRIVE  
axle with a gear ratio of 7 to 1 and which is manufactured by the Calfor Tool Co., of Buchanan,  
Mich., one of the leading truck axle factories of the world. For further information see

# LADIES! DARKEN YOUR GRAY HAIR

**Grandma's Sage Tea and Sulphur Recipe and Nobody will Know.**

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of Wyeth's Sage and Sulphur Compound, you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

## Social Calendar

**Wednesday**

Pythian Sisters, in K. of P. hall, in the evening.

Officers and teachers meeting of the St. Paul's M. E. Sunday school, with Miss Helen Seudder at 402 West Second street, in the evening.

Juanita Club, with Mrs. Will Triempehl and Mrs. Elsie Gregory at home of former at 220 Buena Vista Avenue, in the afternoon.

C. W. B. M. of Christian church in basement of the church at 2415 o'clock. Hostesses, ladies of the February division.

Young Ladies Missionary society of United Presbyterian church, with Mrs. Hal Pike at 342 West Ninth street, in the afternoon.

Foreign Missionary society of St. Paul's M. E. church, with Mrs. George Davis at 104 East Seventh street at 2:30 o'clock.

Mr. and Mrs. Gurn Haydon and Dr. and Mrs. Carl Behler entertained dinner yesterday, Dick Wilson of Jackson, Miss., Mr. and Mrs. J. Hooker Wilson and Mrs. Rachael Bowen.

A surprise is promised for next Monday evening at the meeting of the Young Ladies Mission Circle of the Christian church which is to be held at the home of the Misses Florence and Elizabeth Gröner in North Main street. This will take the place of the program. The meeting is the regular monthly meeting of the Circle.

The Woman's Foreign Missionary society of the St. Paul's M. E. church will meet tomorrow afternoon at 2:30 at the home of Mrs. George Davis at 104 East Seventh street. The lesson of the afternoon promises to be particularly interesting, for Miss Ella Macey will review the 3rd chapter in the Mission Study Book on "World Missions and World Peace." The women of the church are invited to attend.

Bans for the coming marriage of Miss Ruth Harwell of Glenwood and Fred Hackman of Connersville were published at the Catholic church in Connersville Sunday. Miss Harwell is well known here, having graduated at the local high school. She was also a member of the Alpha Omicron Pi sorority while a student at De Pauw University at Greencastle. The wedding will take place in the near future.

A baby boy weighing nine pounds was born to the wife of Carl Beach of near Gowdy Sunday.

**DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS**

Children pull at the heart strings and their slightest illness means anxiety. For nearly a half century mothers have had Dr. King's New Discovery at hand for croup, congestion, coughs, colds and grippe. The mildly laxative ingredients expel the cold germs, the choking phlegm is raised, the congested chest is relieved, the cough loosened and a serious illness is averted. Get a bottle of Dr. King's New Discovery at your druggist to-day.

The Donnan class will meet on Saturday afternoon at the home of Mrs. B. F. Miller in North Morgan street.

The meeting of the Grand Club which was to have been held with Mrs. Robert Tompkins on Wednesday of this week has been postponed until a later date.

The meeting of the Band of Workers of the First Presbyterian church which was originally to have been held tomorrow has been postponed for two weeks. The meeting at that time will be an all day affair in the church parlors.

A recent announcement of interest here is the engagement of Miss Grace McKee, daughter of Mr. and Mrs. D. W. McKee of Connersville, to Francis Lee Bottles of Kansas City, Mo., Miss McKee is quite well known in this city, having visited here. She is a member of the Tri Kappa sorority and at the present time society editor on the Connersville Examiner.

The wedding will take place early in March after which the couple will make their home in Kansas City, where Mr. Bottles is manager of the Lexington Motor Company.

"Beans in Honolulu" is the title of the playlet to be presented by the boys of the Epworth League of the St. Paul's M. E. church who were on the losing side in the recent contest and for that reason are to furnish the entertainment at the Epworth League social this evening in the church. The Bean family playing their Hawaiian instruments will be one feature of the entertainment. It will begin at six o'clock and the first part of the evening will be given over to the box social, for which the girls are asked to bring lunch boxes.

The Glenwood Surprise Club honored Mr. and Mrs. C. M. Brooks at their home in Glenwood on Monday evening, coming in upon them rather unexpectedly. The evening was spent in playing games and later a delicious luncheon was served. The guests of Mr. and Mrs. Brooks were Mr. and Mrs. Lewis Matney, Mr. and Mrs. Earl Ruff, Mr. and Mrs. E. S. Wilson, Mr. and Mrs. Otto Cameron, Mr. and Mrs. M. H. Fielding, Mr. and Mrs. Thomas Reed of Orange, Mr. and Mrs. J. E. Holmes, A. J. Britt, the Misses Edna Ruff, Helen Reed, Oletha Duckate, Effie Matney and Margaret Britt, and Russel and Edgar Ruff.

The closing festivity for the houseparty guests of Miss Elsie Frazee and Miss Phyllis Dean was given last evening by Miss Charlotte Norris at her home in North Main street. The Oxford college girls who were the guests of honor were the Misses Ingeborg Johnson of Texas, Margaret Cox of Kentucky, Isabelle McNeil of Illinois and Lucile Abel of Kentucky. The merry company of young people was informally entertained, enjoying a series of dances for which music was played by John Lewis. Light refreshments were served late in the evening.

Miss Dean and the four guests returned today to Oxford where they are students in Oxford college, after spending the past few days here.

Twenty-five members of the Loyal Daughters of the Christian Sunday school were present at the meeting of the class held at the home of Miss Hazel Hayes in North Perkins street last evening when she was assisted in entertaining by the Misses Bessie Bates, Mable Mahan and Nettie Ormes. Mrs. Scott Hosier was elected to take the presidency in the place of Mrs. Elmer Westfall who leaves the latter part of the week to make her home in Columbus, Ind. As a farewell gift, the members of the class presented Mrs. Westfall with a beautiful set of a tablecloth and napkins to match.

During the business meeting, a treasurer's report was given and several other matters brought up. The social feature of the meeting was especially pleasant, light refreshments being served by the hostesses. The next regular meeting will be in two weeks at the home of Mrs.

# New Season's Fashions Shown in Coats and Suits

This week---an advance showing of spring modes in coats and suits will be made in our windows and on our second floor, comprising distinctly different models not seen elsewhere. The use of soft wool, khaki-kool, Jersey cloth, wool poplin, man's wear serge and gaberdine is noteworthy in this showing of modish garments. These beautiful materials include a wonderful range of colors and shades, among which are cement, chartreuse, apple green, both in plain check, gold, American beauty and rooky.

Altho the weather indicator does not point to spring garments, nevertheless these models serve as an indicator for spring fashions. We shall be glad to show the trend of styles to all of our customers. This is an opportunity for you to be prepared for the first spring day.

We are showing a complete line of place cards, seals, favors, crepe paper, paper napkins and decorations for the Valentine season. Those expecting to entertain will profit by seeing our beautiful display.

## The Mauzy Company

The members of the Monday "500" Club spent a delightful afternoon yesterday as the guests of Mrs. Carl Behler at her home in North Main street. The afternoon was spent in interesting games of "500." The club will meet again in two weeks.

A very artistic program was given at the meeting of the Ladies Musicale held at the court house yesterday afternoon in the assembly room, under the leadership of Mrs. Hugh Mauzy and Mrs. Will Amos. There were three beautiful duo piano numbers by Miss Norma Smith and Mrs. Hugh Mauzy, a solo by Miss Norma Smith, a piano solo by Miss Anna Poundstone, and a trio by Mrs. Francis Moor, Mrs. George Wiltse and Miss Alice Norris. Miss Smith and Miss Frances Frazee gave a dialogue and there was a double duet by Mrs. Will Amos, Mrs. Esther McCloud, Miss Smith and Miss Edith Buell.

Several important matters concerning the meetings and programs for the coming year were discussed, although nothing definite was done. The report of the nominating committee was given and officers will be elected at the next business meeting.

The program for the next meeting on Monday February 19th, will be carried out in a novel way. It is to be on "Oriental Music" and in illustrating it a musical playlet will be given. There will be readings and several special numbers in costume. The program will be in given in the auditorium of the Graham Annex and is in charge of Mrs. E. I. Woodn, Miss Clorenne Amos and Miss Frances Frazee.

### FINGER IS MANGLED.

Paul Doll will probably have to have the middle finger of his right hand amputated as a result of an accident yesterday, while working at a machine in the Chas. E. Francis Co. factory, where he is employed. The machine, he thought, had been stopped, and it started again while his finger was in the gear, mangling the finger and breaking the bone up to the first joint.

### ODD FELLOW INITIATION

Franklin lodge No. 35 will confer the initiatory degree Wednesday evening. Music will be furnished by the orchestra. Every member is urged to attend.

### CONQUERS RHEUMATISM IN A VERY FEW DAYS

It is an established fact that one-half teaspoonful of Rheuma taken once a day has driven the pain and agony from thousands of racked, crippled and despairing rheumatics during the last five years.

Powerful and sure, quick acting, yet harmless; Rheuma gives blessed relief almost at once. The magic name has reached every hamlet in the land and there is hardly a druggist anywhere who can not tell you of almost marvelous cures.

If you want to dispel every particle of uric acid poison in your body and drive it out through the natural channels so that you will be forever free from rheumatism, get a 50-cent bottle of Rheuma today.

Genuine Rheuma, with guarantee of cure or money refunded, 75 cents.

**MILROY LOSES ONE**

The Milroy independent basketball team lost to the Greensburg Y. M. C. A. five Saturday night, 31 to 21, at Milroy. Milroy was handicapped by the fact that their star forward and center did not play.

**GAME CALLED OFF.**

The basketball game scheduled to be played by the Milroy and Homer high school last Friday night had to be called off on account of the epidemic of measles at Homer but will be played later in the season. Much interest had been displayed in that game because it would settle who was really the winner of the invitational tournament held at Milroy recently.

### DIES AT DAUGHTER'S HOME

Mrs. Elsie Lee Masters, Age 85, Expires of Senility

Mrs. Elsie Lee Masters, 85 years, widow of the late Jacob Masters, died late Monday afternoon at the home of her daughter, Mrs. Sarah Trussler in North Harrison street, following an illness of four weeks. Death was due to senility. Mrs. Masters had made her home here with her daughter since the death of her husband last June. Besides Mrs. Trussler, she is survived by two other children, Milton Masters of Oklahoma and John Masters of Warrington, Ind. The remains were taken to Marion this morning where the funeral services will be conducted.

### Amusements

The Princess will show the feature picture "The Thoroughbred" for the program tonight. Frank Keenan is featured and it is said to tell a great story of the race track. It is a racing story with a fine show of horse flesh. Tomorrow "The Spell of the Yukon" will be the offering in which Edmund Breese and Christine Mayo are featured.

In each of the large cities where D. W. Griffith's "The Birth of a Nation" which will be seen at the Graham Annex, Monday, Feb. 12, was produced last summer, there were long lines of patrons waiting to buy seats at the box offices. Absolute capacity was the rule for many months. During the dull times that had fallen upon the theatre these lines of queues of prospective buyers had practically disappeared. "Oh, there won't be any advance sale!" said the box-office attendant wearily when asked about an engagement. It took a Griffith production of pictures and music—not words—to bring back the long absent queues. New York's Broadway, Chicago's Loop, Boston's Tremont Street, looked like old times again with the box office forces doubled and the lines of "The Birth of a Nation" admirers stretching to the curb or even to the next street. The same phenomenon has been repeated in all the other cities which the play has visited the present season. It means of course that the high class theatre is not moribund. Only the touch of David W. Griffith's master wizardry has been required to infuse it with life.

The seat sale has been opened at Hargrove and Mullin's drug store, and mail orders now may be sent with remittance made payable to W. F. Easley, Mgr.

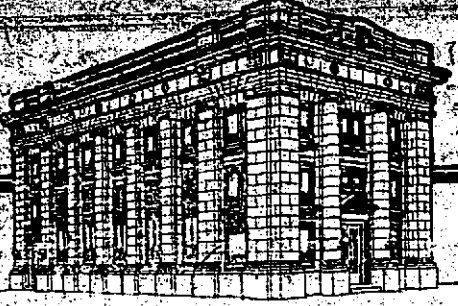

### FARLOW MURDER TRIAL IS STARTED

Crawfordsville Man Faces Charge of Killing Walter Johnson in Indianapolis

(By United Press.)  
Indianapolis, Ind., Feb. 6.—George Farlow, Crawfordsville, went on trial in criminal court here today for the murder of Walter Johnson, also of Crawfordsville, in this city last October. Johnson's body was found beside the canal on the night of Oct. 16. Following an investigation, Farlow was arrested and held for grand jury action.

Farlow was wearing a pair of trousers which Johnson was wearing when last seen, when arrested.

The accused man declares that he came to Indianapolis on the night of the murder and they met a mysterious "Dave," who killed Johnson. Farlow claims that "Dave" forced him to put on Johnson's trousers after the latter had been slain.

### VIEWERS NAMED ON ROAD PETITION

Three Appointed by Commissioners to Report on Request to Change Ellison Highway

DRAIN ORDERED CONSTRUCTED

The commissioners before adjourning Monday appointed viewers for the Elmer E. Ellison road in Jackson township. The petition asks for a change in the established highway. The viewers named were Charles Alter of Orange township, H. Lee Wilson of Union township and George Bell of Center township. The viewers were ordered to report March 5.

The commissioners also approved the assessments for the Thomas Nelson drain in Posey township and ordered the township trustee to collect the money and proceed with the construction. New assessments were made when the commissioners sustained a remonstrance. The assessments as they stand now are said to be unsatisfactory and it is reported that proceedings will be brought against the trustee to prevent him from collecting the assessments.

In the title role of the new Cohan and Harris farce, "Hit-the-Trail Holiday," at English's Opera House for an engagement of three nights, commencing Thursday, February 8, and Saturday matinee, players in Indianapolis and surrounding towns will see Fred Noblo for the first time in several years, in fact the first time since he has attained the rank of star. Mr. Noblo created the role, and it probably will prove a source of gratification that Cohan and Harris have sent him and others of the cast that made the piece such a tremendous success on Broadway all during the original run last season, to present the play on the road.

Mr. Noblo's role in "Hit-the-Trail Holiday," it is widely believed, bears a certain resemblance of phases of Billy Sunday's character, so marked, it must have been intentional. Only the evangelist who got so many to "hit the trail" was a reformed ball player, and "Hit-the-Trail Holiday" is a reformed bar tender. Before the play gets past the true-to-life barber shop scene, with which it opens, it is learned, that Holliday has come to the little town of Johnsville prestige to the bar in a new burg at a salary of \$100 a week to hotel built by the brewery interests, because the proprietor of the temperance hotel there wouldn't put in beer when told. But while getting shaved and manicured, Holliday, like others who go to barber shops, got a lot of useful information, and decided he would not be a bartender in that town after all. He turned in with the down-trodden proprietor of the temperance place, who was manufacturing and trying to sell "nearly beer," a temperance drink, and in two weeks they have the brewers begging for mercy. Holliday is making temperance speeches and writing for the magazines and posing for motion pictures. Also he wins the heart of the town minister's daughter and becomes better known in the community than Col. Roosevelt in Oyster Bay.

That is the outline of a plot which is said to team with the original and delightful George M. Cohan brand of humor. Mail orders for seats for this attraction are being received now at English's and will be filled and returned promptly in order of their receipt.
